WE MAKE A SPECIALTY OF

Logan Berries and Mammoth Blackberries

Grape Vines on Resistant Stock

Resistant Vines and Cuttings

GUARANTEE

We employ none but skilled and intelligent *white men* and the greatest care is exercised in propagation and subsequent handling, to have our stock *well selected and true to name*. We realize that upon our pleasing our customers depends the future of our business. Should mistakes occur, however, we cannot be held responsible for any amount greater than the original cost of the tree. If this is not agreed to, stock must be returned at once.

N. B. Write for illustrated pamphlet on resistant vines and our method of bench grafting on resistant stock.

PLEASE READ. Articles mentioned in the following list will be furnished at prices named as follows: 5 at 10 rate, 50 at 100 rate, 500 or more at 1000 rate.

Five assorted trees in any class will be furnished at ten rates; for instance: five assorted apples of as many sorts, but not two apples, two peaches and one plum, and so on up the scale. We are always ready to make reasonable concessions on long assorted lists for family planting.
